- Accessing interventions: communication difficulties
- Pressure on teachers
- Support for parents

Percy Hedley School

Emotional Health and Wellbeing Team

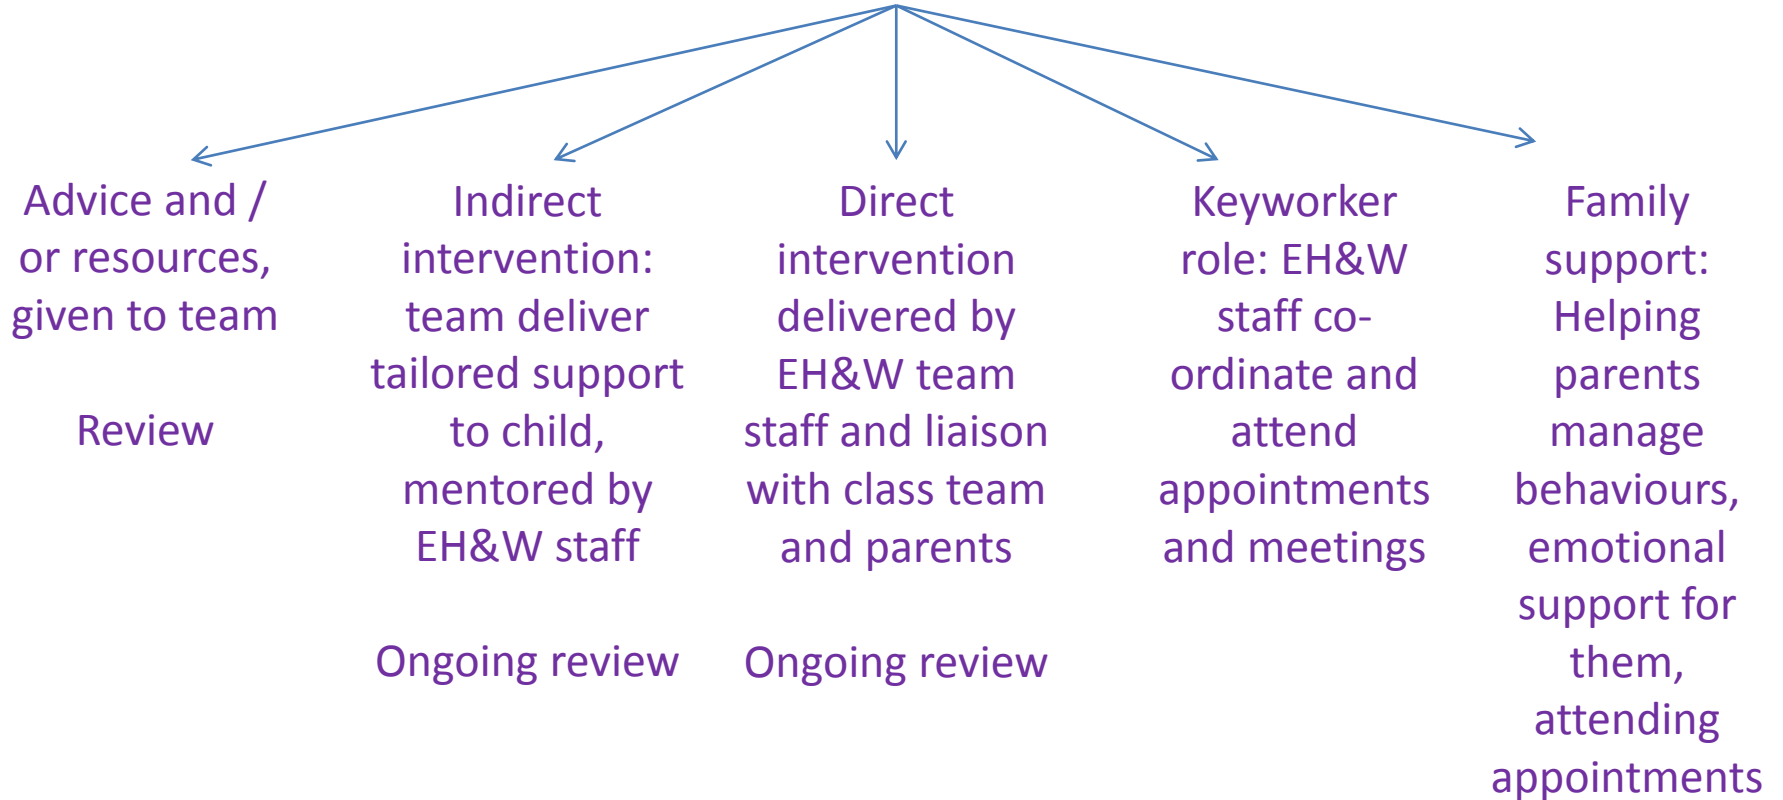

How?

- Open referral system: staff, parents or pupils
- Referral information
- Assessment period
- Intervention plan

Service Delivery

Assessment

Other settings.....

What systems do you currently have in place to support your SEND pupils with their emotional health needs?

- Staff expertise
- Material resources
- Time
- Space

What else could you do?

Discuss with the person next to you. Be prepared to feed back to the group so that ideas can be shared.

Thank you for your time

There is a handout listing useful sources of information and suggestions for resources – please feel free to take one.

Some of the books that we find useful are available for you to look at.

Please come and chat to one of us if you would like any further information.
