

Leading an Emotionally Intelligent School

Kate Chisholm

Why EI?

Positive Mind.

Positive Vibes.

Positive life.

Don't mix bad words with your bad mood. You'll have many opportunities to change a mood, but you'll never get the opportunity to replace the words you spoke.

A person wearing a white hat and a long green dress stands on the edge of a rocky cliff, looking out over a vast, layered canyon. The canyon walls are reddish-brown and show signs of erosion. The sky is blue with some light clouds. The overall scene is a wide, scenic view of a natural landscape.

“Emotional intelligence is
when you finally realize it’s
not all about you.”
