## About the Event

With a renewed focus on curriculum, largely due to the changes to the Ofsted Framework emphasising 'quality of education', curriculum is a hot topic.

This timely event will encourage teachers to reflect on the intent, implementation and impact of school's curriculum.

Delegates will hear from keynote speakers, including curriculum expert Christine Counsell, and attend primary and secondary specific curriculum focused workshops.

This event is aimed at Head Teachers, senior leaders, middle leaders, teaching and learning leads as well as teaching practitioners.
