

Don't forget to register for the next Deputy Head Teacher virtual roundtables, discuss challenges and solutions with colleagues from around the region.

Throughout the coronavirus pandemic we have hosted regular virtual Deputy Head Teacher roundtables to identify the key concerns facing individuals in this role and to provide you with the opportunity to discuss potential solutions with colleagues across the North East.

As we continue to move forward these meetings aim to provide a CPD opportunity for Deputies as well. Please see below for meeting times and topics and follow the links to register.

Network groups

- We will continue to host separate group meetings for primary, secondary and special
- As part of the network you will be able to attend all of these meetings regardless of your setting but appreciate that with time pressures this may not be possible

Network group meetings
